

Occhio sul mondo

An aerial photograph of a coastal town, likely in Sicily, showing a dense cluster of buildings with a prominent church spire rising above the rooftops. The town is situated on a hillside overlooking the sea.

A painting of a street scene in London, showing a large, ornate building with a clock tower and a streetcar. The scene is set in a wide street with a tram in the foreground and a large, multi-story building with a clock tower in the background. The painting is in a realistic style with a focus on architectural detail and a sense of place.
